

COVID-19 Update
March 23, 2020 10:00AM

Cases of COVID-19, also known as coronavirus, have been identified in Alberta and the South Zone. Currently, at this point, there are no confirmed cases in Pincher Creek and area. PCREMO is monitoring the situation very closely.

For those who do not have access to the internet and social media, updates are available via telephone by calling 1 855 627 5365. Please share this phone number with anyone you may know that doesn't have access to the internet and social media.

The most critical measures that Albertans can take to prevent respiratory illnesses, including COVID-19, is to practice good hygiene and social distancing. This includes cleaning your hands regularly for at least 20 seconds, avoiding touching your face, coughing or sneezing into your elbow or sleeve, disposing of tissues appropriately, and staying home and away from others if you are sick.
