

COVID-19 Update
March 25, 2020 16:30

Pincher Creek Regional Emergency Management Organization (PCREMO) continues monitoring the COVID-19 pandemic.

For current numbers in Alberta visit the COVID19 page for geospatial numbers:
<https://covid19stats.alberta.ca/>

We also want to remind residents not to flush any wipes or paper towels. Industrial wastewater systems, as well as septic fields, are not equipped to handle this material as they do not break down, causing clogs in pipes and putting a strain on infrastructure. Many commercial wipes labeled as “flushable” may go down the toilet and drain fine, but hit a bend in the system and can cause major substructure damage.

Please continue to follow recommended practices and behaviors for the mutual benefit of the entire community. For the latest information for Albertans on COVID-19, including updates on government actions, visit alberta.ca/covid19/

The COVID-19 call in line is toll free 1 855 627 5365.

You can submit a complaint to an AHS and a public health inspector will look into it. Visit this site to submit a complaint: <https://ephisahs.microsoftcrmpartals.com/create-case/>
