Yesterday, March 31 we experienced a cellular network disruption. If you or your family need to call 911 or call for other assistance when a cellular network is unavailable, please have a plan to access a landline.

- Do you have a landline in your house?
- Do your neighbours have a landline?
- Do your family members know how to dial 911 from a landline?

The Pincher Creek Co-op is open for high risk and senior shopping Tuesday from 7 to 8 a.m. Walmart is accessible for high risk and seniors Monday to Friday from 7 to 8 a.m.
