

COVID-19 Update
April 23, 2020 16:30

Pincher Creek Regional Emergency Management Organization (PCREMO) continues to actively monitor the COVID-19 pandemic and provide daily updates.

Alberta Health Services (AHS) has taken steps to restrict visitors to Health Care Facilities and Congregate Care Sites to protect patients, and those at greatest risk of severe illness - including seniors. AHS recognizes that this may be difficult for families and loved ones but we must do all we can to minimize the risk of infection to our patients, residents, seniors and staff. AHS will continue to evaluate the limitations placed on visitations throughout the pandemic. Additional resources for families with loved ones in continuing care facilities is available [here](#).

The sani-dump located at the Ranchland (Co-op) Mall is closed to the public until further notice.

Pincher Creek & Area Wee Libraries are now closed. The Pincher Creek & District Municipal Library is available via phone, email and Facebook for curbside pick up.

Continue to follow recommended practices and behaviors for the mutual benefit of the entire community. Please ensure you are receiving your information from trusted sources. For the latest information for Albertans on COVID-19, including updates on government actions, visit alberta.ca/covid19/

If you feel a group or business is not abiding by the current rules, you can submit a complaint to AHS and a public health inspector will look into it. Please call 1-833-415-9179 or visit <https://ephisahs.microsoftcrmpartals.com/create-case/> to submit a complaint.
