

COVID-19 Update  
May 13, 2020 16:30

Pincher Creek Regional Emergency Management Organization continues actively monitoring the COVID-19 pandemic and providing regular updates.

The Alberta Government has launched a website specifically for businesses to navigate the transition to relaunch, as well as provide information for the specific businesses that will be relaunched in Stage 1. Industry specific guidance for individual sectors are now available. All workplaces are expected to develop and implement policies and procedures to address COVID-19.

To be successful during the economic relaunch, businesses and customers should continue acting responsibly by following public health and physical distancing measures and using good hygiene and disinfecting practices. For up to date information specific to businesses visit [www.alberta.ca/bizconnect](http://www.alberta.ca/bizconnect)

Please continue to follow the practices and behaviors recommended by Alberta's Chief Medical Officer of Health, Dr. Deena Hinshaw for the mutual benefit of the entire community.

The sani-dump located in Lundbreck will remain open at this time adhering to provincial guidelines and recommendations. Alberta Health Services considers Sani dump stations are areas that should be considered highly contaminated at any time. Users should be encouraged to wear gloves during use and practice hand hygiene after use at all times, regardless of our current COVID-19 circumstances. The sani-dumps located within the Town of Pincher Creek remain closed to the public until further notice.

Please ensure you are receiving your information from trusted sources. For the latest news for Albertans on COVID-19, including updates on government actions, visit [alberta.ca/covid19/](http://alberta.ca/covid19/)

If you feel a group or business is not abiding by the current rules, you can submit a complaint to AHS, and a public health inspector will look into it. Please call 1-833-415-9179 or visit this site to submit a complaint: <https://ephisahs.microsoftcrmportals.com/create-case/>
