To protect ourselves, our loved ones and our communities, we must be mindful of the role we all play in helping to reduce the spread of COVID-19 during holidays such as thanksgiving. COVID-19 is highly transmissible in social settings. One infected person could cause many people attending the same gathering to become ill. A guidance document on safe holiday entertaining has been created to help reduce the spread of COVID-19, find out more here: <https://www.alberta.ca/assets/documents/covid-19-relaunch-guidance-safe-holiday-entertaining.pdf> We urge you to be diligent, follow public health guidance, and have safe and happy holidays.
