

COVID-19 Update  
December 16, 2020

Pincher Creek Regional Emergency Management Organization (PCREMO) will continue to actively monitor the COVID-19 pandemic. Daily updates from PCREMO will no longer be produced. We will be removing the “Important Notice” banners from the Town and MD websites.

Should any changes or events requiring PCREMO involvement take place in our area regarding the pandemic or other emergencies, PCREMO will provide updates to the public. We anticipate from time to time seeing numbers of COVID-19 cases that won't be posted through the “Important Information” on the websites. For up to date current numbers please visit <https://www.alberta.ca/maps/covid-19-status-map.htm#toc-3> and type “Pincher” in the search box.

Be kind and please continue to do your part to stop the spread by following all the AHS guidelines, recommended practices and behaviors for the mutual benefit of our entire community. Please ensure you are receiving your information from trusted sources. For the latest news for Albertans on COVID-19, including updates on government actions, visit [alberta.ca/covid19](https://alberta.ca/covid19)

If you have questions about workplaces or businesses abiding by the current Alberta Health Services rules, you can submit a concern directly to AHS. Please call 1-833-415-9179 or visit this site: <https://ephisahs.microsoftcrmpartals.com/create-case>
