

COVID-19 Update December 7, 2020 16:00

COVID-19 statistics received from Alberta Health for the Pincher Creek area:

21 active cases

33 recovered

2 death

56 total

Cases in the Pincher Creek region continue to rise with 21 confirmed active cases. The Pincher Creek Regional Emergency Management Organization (PCREMO) is monitoring the increase in cases and actively coordinating a local response.

It is imperative that our community takes steps now to limit in-person contact with others and prevent further spread of COVID-19 in our community. If you are feeling unwell, self isolate and take the self assessment available [online](#) or call health link 811. Testing for COVID-19 is available locally, the [online](#) self assessment is the first step to booking an appointment to be tested.

The following mandatory restrictions are in place for the Pincher Creek area to slow the spread of COVID-19 by Alberta Health:

- No indoor social gatherings in any setting
- Outdoor gatherings max of 10
- Wedding and funeral services max of 10, no receptions permitted
- No festivals or events
- Grades 7-12 at-home learning Nov 30-Jan 11
- ECS-Grade 6 at-home learning after break until Jan 11
- Working from home should be considered, where possible
- Places of worship at 1/3 of fire code occupancy with mandatory masking
- Restricted access to some businesses

For the full details on all mandatory measures required by the Province for the Pincher Creek area and guidance for businesses please go here:
